Company overview

STAJ Global Solutions Ltd is a registered Ugandan company dedicated to the export of high-quality agricultural products. We operate with licensing from the Ministry of Agriculture, Animal Industry and Fisheries (MAAIF) and are proud members of the Hortifresh Association, the national umbrella body for Fresh Fruits and Vegetable exporters. The company has been operating in the FFV value chain for the last three years and brings on board a wealth of experience of production, sourcing and now export as supported by a team of highly experienced personnel. Our value proposition is that we are strategically positioned to source, process, and export premium agricultural commodities to regional and international markets.

Mission Statement
